NEW BEDFORD STREET AND HOUSE DIRECTORY 1908

(Copyright 1908 by W. A. Greenough & Co)
(All Rights Reserved)

Giving the location of each street and showing streets running from or across, with the number at intersection, also general direction of each street, map index, street numbers, and names of householders with their occupation.

The streets of New Bedford, with few exceptions, are laid out north and south, and east and west. Those running north and south number at Union street, and increase each way, with the even numbers on the east and the odd numbers on the west side.

Those running east and west begin to number at the river, and increase westerly, with the even numbers on the south and the odd numbers on the north side. The letter S inclosed by parenthesis, which follows the name of any street. signifies the general bearing of such street from City Hall. Thus School street (S) is south from City Hall.

LOCALITIES OF INTEREST IN AND ABOUT THE CITY

ACUSHNET. This is a village usually known as the Head of the River, about three and a half miles in a northerly direction from the City Hall. The westerly part is in New Bedford and the easterly part in Acushnet. Pine Grove cemetery is near the village. The post office is in New Bedford.

BELLEVILLE. This name was many years ago given to a spot on the bank of the Acushnet river, about one mile south of the Acushnet village.

BROOKLAWN PARK. Acushnet av, near Howard av.

BUTTONWOOD PARK. End of Court.

CANNONVILLE. A portion of the westerly part of the city, in the neighborhood of the meeting-house on the Smith's Mills road is known by this name.

CLARK'S POINT. This point forms the southerly part of the city. It has the waters of the Acushnet river on the east, and of Clark's Cove on the west. Its length is about two miles. At its southerly extremity on the river side is a large tract of land belonging to the United States; at the extremity of the point is Fort Rodman. Around this point, a distance of about four miles, is a road not surpassed by any public drive in this country. It is called East and West French avenues, commencing at Cove

street and follows the shore thence along the western, southern and eastern boundaries of the point, until it terminates in the street where it has its beginning. It is eighty feet wide, smooth and level, and in its course commands a series of views surpassing loveliness and beauty. The cove, the bay, the river, the shores, the islands, and ledges, the lighthouses, steamers and sailing craft of every description, the city on the one side, its sister town of Fairhaven on the other and the noble bridge between, constitute a series of views which render a ride or a walk over this road most delightful and attractive. The City Farm and Almshouse is located on Clark's Point.

CLIFFORD. A Settlement with a post office of the same name about three miles north of Acushnet.

DOGFISH BAR. The collection of houses near the foot of Coggeshall street is often called by this name, which designates a shoal in the river near by. A bridge crosses the river at this place for Fairhaven.

GERMANTOWN. The vicinity of Church street, first settled mostly by Germans.

HOWLAND VILLAGE. End Bolton road and Orchard street, S. This is a very creditable village of houses owned by the N E Cotton Yarn Co.

JESSEVILLE. Part of Mt Pleasant and its eastern slope, near Ashland and Linden streets. Named for Jesse Reynolds, a former resident.

KENERSONVILLE. West of Purchase street, from Clark, to Cedar Grove street. Named for one of the first settlers.

MOUNT PLEASANT. That portion of our city known by this name is in the northwest part, commencing at Robeson street. Here are some beautiful private residences, and the view which includes the river, the harbor, the bay, and adjoining shores, villages and islands, is one of the finest in the country.

NORTH END. Purchase street, north of the Common. Since 1878 has become an important business locality.

RIVERSIDE PARK. Foot of Phillips av next Acushnet river.

RIVERVIEW PARK. On Acushnet av, south side of Nash road.

ROCKDALE. Is about one mile north of Cannonville, on Rockdale av. The only quarry of any size near the city, is located here.

SHAWMUT. This is a small village located four miles northwest of City Hall.

TURNERVILLE. Vicinity of Shawmut av and Durfee street. Named for an early settler.

WINTERVILLE. The name given to a small collection of houses at the west of Rural cemetery on Winterville road.
